

Dear Students and Parents,

August 26, 2015

Hello! My name is Mr. Glogau, and I will be the captain of your third grade class this year! I am excited for my second year as a Mustang. I hope you are as excited as I am to start the school year.

I grew up in wet and rainy Monmouth, Oregon and went to school at Oregon State University. Go Beavs! After I graduated I taught in Hong Kong for three years at an international school. I loved living in a busy and exciting city, but it feels great being back in my home state of Oregon!

I love traveling, learning languages, skiing, biking, hiking, cooking, running, and occasionally playing the ukulele. One of my highlights this summer was a trip to Rwanda, Africa. I traveled there with several other teachers and put on a teaching conference for teachers living there. I was able to share some exciting things about education and also saw different ways that learning can happen. Back in the USA, I had a blast on a road trip with my wife to the Grand Canyon for the first time! We camped on the North Rim and were amazed by the natural beauty.

If you have some extra time before school starts, here are some challenge questions for you. Bring this sheet back with all 5 answers on Tuesday, and there will be a special prize for you! See you soon!

Mr. Glogau

Name: _____

1. What is the capital of Rwanda? _____

2. What language do they speak in Rwanda? _____

3. What state is the Grand Canyon in? . _____

4. How many people live in Redmond? _____

5. What is the best thing about living in Redmond?
