What's Happening in Fourth Grade!

Welcome Back!

It's that time again! Time for a new school year to start. I hope that all of you had a great summer and are excited to begin our year together on **September 8**. I am looking forward to getting to know each one of you and your families throughout the school year. As you may know, this is my third year at Tom McCall Elementary. I spent my summer sailing in Washington and traveling as well as camping, biking, and having fun with my wife Carlie and my dog Rosie. I can't wait to hear about all the things you did this summer.

Open House

There will be an open house on **Thursday September 24th** from **6:00 to 7:00 pm**. This is a great opportunity for parents and guardians to come in and see the classroom, ask questions, and meet me, your new teacher! The first few weeks of school can be a very busy time and we encourage students and their families to come in during open house. Also, during the open house there will be some important papers to pick up and turn out. If you are unable to attend the open house, no problem, these papers will be sent home with your student during the first days of school. I know that schedules can be a bit crazy this time of year and if you are unable to make it,

questions and concerns can be asked anytime throughout the school year.
