

We're Going Back To School

August 30, 2016

Dear Parents,

Some of you may already know me as Ms. K. My name is Katie Krueger, and I'm thrilled about the opportunity to learn together with your child in our 1st grade Smarty classroom. We have a great year ahead!

Please read thoroughly for important information and mark important dates on your calendars:

Thursday, September 1st 3:00-4:00 Meet & Greet

This is an hour set aside for you to drop in with your child, meet me in person before next week, drop off supplies, and check out our classroom (A-4). This is also the time to stop into the office, fill out volunteer forms if they have expired, and sign up for your child's assessment.

We will have a FORMAL OPEN HOUSE LATER. When I get confirmation about the date, I'll let you know. I will cover important information about our routines and ways you can help your child be successful at school at this time.

Tuesday, September 6th and Wednesday, September 7th: Assessments

*****No School for First Graders on these 2 days*****

Contact office staff at (541) 526-6400 to schedule your child's assessment.

2nd – 5th graders begin school; however, first graders will not attend school until Thursday, September 8th. I will hold individual conferences (40 min-ish) with each first grader on either Sept. 6th or 7th. This will give me time to spend a bit of one-on-one time with your child, find out about his/her interests, and gain knowledge about his/her academic skills before the year begins.

Regular Full Days

9:00-3:35

We eat lunch at 11:30 each day.

School Improvement Wednesdays

9:00-2:35

Please send a healthy snack to school with your child EVERY day.

Please see the attached page for the supply list. I am requesting a few additional items which will help make our year successful.

I look forward to the upcoming school year and to building partnerships with all of you to help make your child's 1st grade year one of immense growth in all areas of their big lives!

Sincerely,

Mrs. K (Katie Krueger)
