

Welcome to First Grade

Meet Your Teacher

My name is Mrs. Cron and I will be your teacher this year. I hope you are having a fun summer. I'm very excited to meet you. I've been teaching for many years. I've been at first grade for 13 years. I absolutely love it! I live in Redmond and have two children who graduated from Redmond High School. I enjoy riding my bike, hiking, going to concerts, and spending time with my family.

This is going to be a challenging and fun year. You will be at a new school with first through fifth graders. You will learn to read or become a better reader. You will solve math problems with blocks, paper & pencil, and on a chromebook. You will learn about the life cycle of a chick as we raise them in an incubator next spring.
