Dear Parents and Guardians,

My name is Alan Vellutini and I am incredibly excited to be your child's fourth grade teacher this year at Tom McCall Elementary. Having lived in Central Oregon for the last five years, it is very evident that this region of our state holds so many enriching recreational and educational opportunities during the summer months. My hope is that you were able to relax, celebrate and recharge for the upcoming school year and the learning that awaits.

I am looking forward to re-joining the dedicated staff at Tom McCall as I begin my 8th year as an elementary teacher. Entering my 5th year at McCall Mustang, I am constantly reminded of the passion and commitment each staff member brings every day to ensure a solid environment for all students to develop socially and academically. I look forward to continuing that commitment with an engaging approach to learning that is purposeful and focuses on your child's strengths and learning style. Before that begins, however, I would like to make you aware of some important dates coming up.

Tuesday, August 28th 2:45 – 3:30pm Meet & Greet: Your child is welcome to come and take a look around the room and drop off any school supplies. We will be hosting a formal Open House sometime in September where I will share information about our curriculum, routines and ways that you can help support your child to be a successful learner at school and at home.

Tuesday, September 4th: FIRST DAY OF SCHOOL! The first bell will ring at 8:55am and school dismisses at 3:35pm.

Please do not hesitate to contact me directly if you have any questions, concerns or comments about your child and how we can collaborate to ensure his/her growth and development throughout the school year. In the very near future I will be sending the link to our updated classroom webpage as a way to keep you in the loop with what we're doing in the classroom, and at school in general. I have also included a copy of the voluntary supply list if you wish to purchase supplies to be used in your child's classroom. Any additional supplies you are able to provide will help a student and family who are unable to contribute.

I look forward to meeting with you very soon.

Kind Regards,

Alan Vellutini (Mr. V)
